OFFICE OF LEGISLATIVE COUNSEL

Friday - 24 January 1964

1. (Internal Use Only - JGO) Received two calls from Air Force Intelligence concerning DCI appearance before Congressional committees which was outlined by the Director in the USIB meeting of 17 January 1964. I provided Colonel Cole and Colonel O'Hare with the names of the Congressmen in attendance at the DCI general briefing of the joint meeting of the CIA Subcommittees of the Senate Armed Services and Senate Appropriations Committees, of 18 January 1964, and the Defense Subcommittee of House Appropriations of 15 and 16 January 1964.

2. (Unclassified - GLC) Talked with David Martin, in the office of Senator Thomas J. Dodd, to prod him along in preparing a speech for Senator Dodd in rebuttal to recent criticism of the Agency. Martin said he expected to have the draft of the speech finished early next week, hoped to make it available to us for review by Tuesday so the speech could be made the latter part of next week.

3. (Unclassified - GLC) Talked with Tom Keena, in the office of Representative Emilio Q. Daddario, regarding his request for assistance with respect to the invitation Representative Daddario has received from Lohengrin Filipello to give a message for use in a radio broadcast on the twentieth anniversary of the establishment of a radio station in Campione, Italy. I tried to avoid specific suggestions to Keena. While I was in his office, he talked with Mr. Dulles' office who informed him that Mr. Dulles was in California and would not participate in this program. Keena hopes that Daddario will do nothing on this but thinks he will probably feel obliged to make some sort of general statement.
